THE OUTDOOR RAW STORY

A LITTLE BIT ABOUT US

Founded in 2015 by Kyle Jones, based on the spectacular South Coast of New South Wales, Outdoor Raw is the leading provider of outdoor adventure activities and training in the region.

ALWAYS ADVENTURE

We at Outdoor Raw believe the most powerful, enjoyable and memorable experiences happen outdoors, and, usually, a little out of our comfort zones.

Whether its a day out rock climbing, school camps, corporate and business group training days, or birthday/bucks parties we will give you an experience you'll never forget.

We also run our world-famous Cliffnics; dining suspended OVER THE EDGE of one of the epic Shoalhaven clifftops.
